

# Fixing a Broken Economy

We know how broken the economy is for working people. That's why we fight together to take back the power from big corporations, both in the workplace and in the halls of government. And we've won key victories. Just in the past two years, we've:

## Saved Essential Public Services.

We prevented drastic cuts to essential public services by securing \$350 billion in the American Rescue Plan that saved jobs for America's front-line workers.

## Protected Pensions.

Union members fought to rescue the pensions of more than 1 million workers who were at risk of losing their hard-earned retirement. We made sure the pension fix made it into the American Rescue Plan.

## Invested in Critical Infrastructure.

We led the push for infrastructure funding to create hundreds of thousands of good-paying union jobs and repair our roads and bridges, improve internet access, and upgrade our water and sewer systems.

We've seen some real improvements. But we can't stop when there's so much more to do:

## Make Organizing Easier.

Big corporations have brazenly violated labor laws for decades to try and stop workers from organizing. We need tough new labor laws that will seriously penalize union-busting and make organizing easier.

## Grow American Manufacturing.

Corporations have been shipping jobs overseas for too long, and we saw how it put America at risk with supply chain disruptions and rising prices during the pandemic. We need to bring good union manufacturing jobs back home.

## Your Top Priority!

We want to hear from you and other union members to learn what our top priority for fixing the broken economy should be.
