

UNITE HERE! LOCAL 11

Dear Taylor,

As a strong and fearless woman, you inspire us and so many of our constituents.

We are writing in support of the hotel housekeepers across Los Angeles. They make beds, clean bathrooms, and take care of every guest need. But right now, workers say they are struggling to make ends meet.

Your shows make our region's hotels a lot of money. In Los Angeles, hotels are doubling and tripling what they charge because you are coming. The hotels are making more money than ever, but many workers cannot afford to live close to where they work. Some of them even sleep in their cars between shifts. Others are at risk of losing their homes.

Hotel workers are fighting for their lives. They are fighting for a living wage. They have gone on strike. Now, they are asking for your support.

Speak Now! Stand with hotel workers and postpone your concerts. Thank you.

Sincerely,
