## Defend the Right to Protest! Drop the Charges! Repeal the Public Order Act!

The response of the Metropolitan Police to the national demonstration on Saturday 18 January 2025 was an attempt by the British State to stop protests on the question of Palestine. It is a serious curtailment of our civil liberties and cannot be tolerated. We demand that the right of citizens to protest is respected, that all charges against peaceful protestors are dropped and that the Public Order Act is repealed.
